Dirtex Spray Cleaner

Description

This easy-to-use product cleans windows, mirrors, ceramic tiles, porcelain and other hard surfaces such as chrome, aluminum and appliance enamels. Cleans dirt, grime and greasy film. An excellent remover for latex paint overspray.

Application

Spray it on and wipe clean and dry. Spray Dirtex leaves no streaks or film. Spray Dirtex is not a fabric cleaner but will not harm most fabrics. Always test in an inconspicuous place before use on any paint or varnish. Not for use on shellac or lacquer, and it may damage some plastics.

Directions

Hold can upright and point at surface about 10 inches away. Spray lightly. Wipe surface with lint-free cloth. Repeat if necessary for very dirty surfaces.

Important label information
